

Computing & Business Degree Applications Open

At STC Level 4 Diplomas in Computing and Business are starting next October and the limited applications are being now accepted on a first-come, first-served basis.

The entry requirements are 6 O'levels - of which Maths and English are compulsory. Successful applicants will benefit from 70% course fees back through the Get Qualified scheme, Monthly-installment payments and monthly Stipends for the full-time students!

The Level 4 Diploma In Computing (DCL4) is provided in conjunction with NCC Education and is the first year of a three year degree journey. The programme exposes students to both academic and vocational subjects and includes topics related to web design, programming, hardware and networking.

The Level 4 Diploma in Business (L4DC) is provided in conjunction with NCC Education and is equivalent to the first year of a BSc(Hons) UK degree. The programme exposes students to many different aspects of international business in today's world. Students who embark on this programme are exposed to both academic and vocational aspects of a wide range of subjects, providing students with the necessary knowledge and skills vital for a career in business or to further their studies.

Check out all information and book your place now for the [Computing](#) and [Business](#) Degree Pathways!
